I have 6-17 year old children so I loved this feature. However, I found the directions to be confusing (and I've played lots of games over the years). We find ourselves searching the game we are trying to learn online only to find that there are a million different rules and ways to play the same game.

An illustrated guide to more than 100 of the best-loved card games, explaining how to play and win, and including the history, rules and strategies of each game.
