3 of 3 people found the following review helpful. delightful readingBy Cannonball YankeeNothing to dislike here. The games look so amazing that I have to go back and look at them a second time to see what went wrong. very little analysis is included or needed so it's very easy and pleasant reading. If you need a smile a few minutes with this book will do the trick.1 of 1 people found the following review helpful. Engage your brain earlyBy Keith A KennyAn old

favorite I bought for my son. We both like the swift punishment of idle play, and this is a fine collection of master-class players being caught off guard. 0 of 0 people found the following review helpful. Book Of Interesting Short Games By Rick Rodriguez I love this book for teaching beginners!

Irving Chernov's classic collection of the finest 5-to-15-move games in chess history, accompanied by Chernov's witty commentary, providing a quick, clear, easy to absorb chess lesson. With diagrams throughout and with a powerful new introduction and an index of Chess Openings, both by Bruce Pandolfini, 1000 Best Short Games of Chess is a perennial delight for chess players of all levels and ages.
