The book is nice but it only showed examples of the buildsBy GemstoneThe book is nice but it only showed examples of the builds. there were not tips or techniques to help create anything like that. It's most like an art book.0 of 0 people found the following review helpful. WOW!!By K. RobisonIncredible book! My 9 year loved it, as did friends of ours (adults). Amazing builds, wondering how much time some of them took. Details are amazing.0 of 0 people found the following review helpful.
