the book is great looks like

brand new the only was took almost 3 weeks for me to get the book I don't know if was post office mistake or seller otherwise was good deal 0 of 0 people found the following review helpful. perfect for parents, grandparents, party planners, teachers etc....By leAnn Garth Anyone who works with children should own this book. from parents to grandparents party planners, preschool teachers phys. ed. teachers. school teachers and children's preschool dance classes. Use your imagination to make these games work for your situation or give you Ideas for your own creations.

This book is filled with dance games that the whole classroom or family can play and learn from. These noncompetitive games reward children for their involvement, encourage them to use their imagination, and show them how to express how they feel without using words. Black-and-white illustrations add to these simple games that release a child's spontaneity and self-expression.
