Maggie Thompson, Brent Frankenhoff : 1999 Comic Book Checklist and Price Guide (Comic Book Checklist and Price Guide, 1999) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1999 Comic Book Checklist and Price Guide (Comic Book Checklist and Price Guide, 1999):

7 of 8 people found the following review helpful. Inflated, inaccurate pricing.By Morgan L ChristieI found most prices for books I own (or was looking to buy) not to be accurate. The Overstreet price guide is much more realistic when

you go to buy and sell (especially when you sell!). I literally threw this guide away and bought the Overstreet. Overstreet is not 100% accurate, but it is much, much closer to the truth. This industry has enough problems without complicating it more with several different price guides each touting completely different prices...6 of 7 people found the following review helpful. INACCURATE AND INCOMPLETE By A Customer I purchased the 98 edition of this book, and unless it has been completely rewritten, it is very inaccurate. Some titles were completely left out of the book. Some titles did not have every issue listed. I purchased this book to use as an inventory guide. It fails miserably. I have had to completely abandon it. 4 of 13 people found the following review helpful. comic books for sale??? By A Customer I found 2 boxes of old comic books probably from the 60's and 70's are they worth anything or can I throw them away??

Listing more than 80,000 comics in three grades of condition and more than 240,000 current prices, this volume details independent releases and hard-to-find editions, plus all the regular releases, and more. Over 300 photos.
