My daughter and I attended the 50th Anniversary Merrie Monarch Festival to celebrate her 40th. birthday and my retirement. Neither of us had ever been to Hawaii before, but a friend of hers strongly recommended that we attend Merrie Monarch. (Our trip was planned around the dates of the festival.) So glad we did! We were mesmerized by the hula dancers, and loved the male hula dancers! I never knew that there were male hula dancers until Merrie Monarch. The 50th. Anniversary DVD set from Merrie Monarch has allowed us to re-live, and to share with our family, one of the most memorable events of our trip to Hawaii. Will treasure it always. 1 of 1 people found the following review helpful. I love watching this competition By wwahine My DVD arrived as scheduled. I look forward to watching the Merrie Monarch every year. I

love watching this competition. Hula dancing has always been my passion, I've been dancing the hula since I was 7, I'm now 66 and retired, but I still dance when asked to perform. 2 of 2 people found the following review helpful. Great Video....By dennisIt is 4 discs with every Halau's performance on them. Also has the awards ceremonies as well. KFIVE in Hawaii does a very good job in putting this all together. I was able to watch this year's on TV while I was in Hawaii. Can't wait for the 2014 DVD's.
