### James Saranteas : 2014 Fantasy Football Draft Guide (The Fantasy Greek Fantasy Football Draft Guide)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2014 Fantasy Football Draft Guide (The Fantasy Greek Fantasy Football Draft Guide):

By Jackie  
There are some strange things in this book, a lot I disagree with. I wanted to see if I could find one solid book instead of going to a million websites for info, and this wasn't it. They have Bishop Sankey listed as the 12th overall RB. 12th. They recommend taking Cam Newton in the third round. There's also nothing but positive things written about players, which obviously isn't very helpful. To be honest, I didn't make it very far in the book before tossing it. Things may have gotten better, but I doubt it.

By D.B.  
An excellent fantasy football guide. I have been playing fantasy football for a long time and this may

very well be the best draft guide I have encountered. To top it off, it comes with access to a premium fantasy football website. The guide itself is very well written with none of the "fluff" that litters other fantasy football guides. I thought the section outlining differing draft strategy depending on where you are in the draft order was especially insightful. Very highly recommended. 2 of 2 people found the following review helpful. Guide helps you KICK BUTT in your league  
By Joseph Ritchie  
Plan to kick butt in my league with the fantastic information. This is exactly what I needed to get the jump on other players. This is well-researched and effectively presented. I consider this a "must have" for anyone serious about fantasy football.

Thank you for considering the 2014 Fantasy Football Draft Guide from The Fantasy Greek, Your Second Opinion For Your Fantasy Football Instinct. The Guide is made up of 112 pages of material and information! Highlights Include: Drafting Tips What do I do with the #1 Draft Pick? Top 200 Player Lists Positional Ranks Over 250 Player Profiles Top Sleepers, Rookies, Injury Risks and more! Plus, if you purchase The Fantasy Greek Draft Guide, you get a SkyBox Subscription for FREE! The SkyBox subscription, which costs \$12.00 on its own, provides exclusive first-look and early-bird access to some of the information that you can rely on to set your weekly line-ups. The Guide should give you the basic tools you need to be well-prepared for your drafts this year. Enjoy! - The Fantasy Greek
