0 of 0 people found the following review helpful. just a different uno game By K. BellWell, the game is O.K. but it is just a different style of UNO--match color or number. The game play has nothing to do with the history of the 20th century. I guess you are just supposed to assimilate information as you look at the cards.

Notable Events and Individuals from Politics, Science, Business, and Popular Culture. Explore the past with this unique fast-paced card game! More than 300 historical facts fuel this exciting journey as players travel forward and backward through the 20th century.
