Barbara Seagram, David Bird : 25 Bridge Conventions: Practice Makes Perfect before purchasing it in order to gage whether or not it would be worth my time, and all praised 25 Bridge Conventions: Practice Makes Perfect:

3 of 3 people found the following review helpful. for good reason. Each convention is explained wellBy Gail M. ReamsBarbara Seagram's first book, 25 Bridge Conventions You Should Know, is one of the most popular bridge books published, for good reason. Each convention is explained well. However, as a bridge teacher, I need hands to share with my students that allow them to practice these conventions. This is the perfect book for that. Each

convention has several practice hands that reinforce the concept that I am teaching. The book is very well written with very well thought-out hands. I would highly recommend this book to teachers and students alike. 1 of 1 people found the following review helpful. Help to Raise the Level of your Bridge Game By Customer The book, Practice Makes Perfect, is an extension of the book, 25 Conventions that You Should Know. Ample and good practice exercises are provided too. Good tips in playing a hand are also given. I would not recommend the book to a beginning bridge player. 2 of 2 people found the following review helpful. Great reviewing exercises By R. Morss Still working on it. Great reviewing exercises. Some eye-openers on playing. More than just counting winners and loser -- provides greater insight as to getting lucky, sometimes.

25 Conventions You Should Know has sold more than 250,000 copies since it was first published, and continues to top the bridge bestseller lists. Over the years, readers have suggested that it would be an even better book if it offered some way to practice what they had learned. Well, here it is: a brief summary of each of those 25 conventions, together with example hands which can be dealt out and used to apply your new knowledge.

About the Author Barbara Seagram is one of North America's top bridge teachers, and is a popular speaker on cruise ships and at bridge events throughout the world. David Bird is the world's most prolific bridge author, with 136 titles to his name.
