Another title in the best-selling '25' series, from award-winning author and master teacher Barbara Seagram, and using the same popular format as earlier books. Other titles in the series have revolved around bidding; this one deals with the play of the cards as declarer, a major topic in beginner and intermediate bridge lessons. As usual in this series, basic ideas on the strategies and tactics available to declarer are covered comprehensively in the early part of the book,

while in later chapters, more advanced players will find ideas and topics that challenge their own understanding of the game.
