I was really shocked by the many different types of purses shown. Whoever researched these purses before manufacturing this calendar certainly did their homework. So many purses, every color, size, shape and texture. I'll admit I took a sneak peek because I couldn't imagine waiting for each month to pass. So, if you are "into" purses this is definitely the calendar for you!!0 of 0 people found the following review helpful. Classy calendarBy Charlie's GirlAwesome calendar! Handbags are my passion!By Lovely LadyThe Handbags calendar is a good way to appreciate the beauty of every handbag design imaginable! Daily designs are magnificent!

Handbag lovers, indulge your obsession. Adapted from Anna Johnson's bestselling book *Handbags*, which has 200,000 copies in print, *365 Days of Handbags* is a delightful celebration of this most beloved of accessories. Each gorgeous, full-color spread has one large image at the top of the page, plus dozens more in the grid below. Admire minimalist bags, jeweled bags, fringed bags, whimsical bags, free-form bags, sculpted bags. The unparalleled elegance of Judith Leiber, the timeless appeal of classic Chanel, Fendi's baguettes, and the witty creations of Lulu Guinness. Ooh la la!
