Great photography. On the first of every month I pick out my favorite hats. Great fun. I'll keep buying them as long as Workman keeps publishing them. 0 of 0 people found the following review helpful. 2014 Hats Wall Calendar By Gloria C. Booze Enjoyed the 2013 calendar I purchased last year. Gives you ideas to create your own designs for hat making. You should only require what people write and not make it mandatory to use a certain number of words.

Fashion lovers, enjoy a dramatic statement every day with a gorgeous, head-turning hat. Elegant pillboxes. Smart berets. Stylishly retro cloches, wide-brimmed hats, out-there turbans, and one-of-a-kind novelty hats, all photographed

in sumptuous full color. With dozens of hats showcased every month including the work of top designers as well as vintage and costume pieces 365 Days of Hats is bold, beautiful, and utterly stunning.
