I feel they are priced right too. 3 of 3 people found the following review helpful. I Love It By J. Carson I love this calendar. Each month features a different theme of shoes, for example January features all kinds of boots and February features all red shoes. The one drawback is the fact that the previous and next month are very small considering this is a wall calendar and awfully hard to see.

You can never, ever have too many shoes. Inspired by Linda O'Keeffe's spectacular international bestseller Shoes, 365 Shoes is the perfect marriage of subject and format. Each month features a theme: sexy red shoes for February, wedding

shoes for June, boots for December with one large photograph at the top of the page and smaller daily photographs, all in full color, in the grid below. It's a reverie for shoe lovers, a can't-take-your-eyes-away parade of stylish footwear.

From the Back Cover **YOU CAN NEVER, NEVER HAVE TOO MANY SHOES!** Oh, the Manolos, the Moschinos, the Choos! What a reverie!
