Fun Calendar for a Shoe-Lover By starscreamer I get so many comments on this calendar. I bought 2014 and 2015 and will continue to purchase these in the years to come. I just find it such a charming and fun calendar. Every month is a treat and I look forward to seeing what the next month's shoes will be. Some are ghastly while others make you wonder whether you would ever attempt to walk in them. Others are just lovely inspiration. 0 of 0 people found the following review helpful. The shoe lover's calendar By jI get the 365 Days of Shoes calendar every year (4 years and counting!) and it's the perfect addition to my office. I love looking at all the shoes each month--some are gorgeous and some make you say "what was that designer thinking?!" but it is interesting nonetheless. And people who pop into my office always comment on it. If you are a shoe lover, you will love this calendar.

A year of fabulous shoes all your size! For the obsessive shoe lover, it's the calendar that's perfectly over-the-top. It's playful, it's inspiring, it's packed full of the most extraordinary works of shoe beauty, from daring designers Jerome C. Rousseau, Ruthie Davis, Nicholas Kirkwood, Rupert Sanderson, Stuart Weitzman, and, of course, Manolo Blahnik and vintage collections. Laurence Dacades metallic leather Glamorous ankle boot with graphic laminated stripes graces the cover a must-wear. Adapted from Linda O'Keefe's international bestseller *Shoes*.
