Ron Klinger : 5-Card Majors Bidding Flipper (Master Bridge Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised 5-Card Majors Bidding Flipper (Master Bridge Series):

1 of 1 people found the following review helpful. Help is at HandBy Ron VeelikIn the game of Bridge, it's not what you say it's when you say it. Ron Klingers 5 Card Majors Biding, decodes your hand and gets you on your way to a winning contract. A fast applied theory hand book in the arcane and often hidden, language of bidding. The Flipper evaluates your hand, your partners hand and often your opponents hands, indicates the better bid, and also gives you the hint don't bid, double let the O's flame out you can make more in setting with this hand. The Flipper is a wonderful tool in the hand of players like me who cant tell one spot from an other. Klinger has other bidding flippers the takes the 5-Card Majors player to the next level. And its small and handy. easy to use.

This "Fast Fact Finder" is designed for reference and for quick checks at the bridge table. Five-Card Majors is a particularly accurate system of bidding which leads to a greater understanding between partnersthis is why it is used by so many top players at the highest competitive levels.
