It's really a great book and puts bidding into prospectiveBy sharontI was advised to get this book by a 97 year old avid bridge player. She said if you want to learn how to play bridge, buy this book. It's really a great book and puts bidding into prospective. I'm loving it and have learned lots of bidding techniques. Great for those of us who love to play bridge with small groups that want to learn!!0 of 0 people found the following review helpful. Five StarsBy ATWReceived quickly and was as described.

The author, master player, teacher, lecturer and syndicated bridge columnist gives a tested course covering all areas of bidding and play for all bridge players. From an easy introduction for the absolute beginner to the techniques of duplicate bridge, this book is designed to give you a thorough grasp of the game and to make you a consistent winner.
