**alfred sheinwold : 5 Weeks to Winning Bridge** before purchasing it in order to gage whether or not it would be worth my time, and all praised 5 Weeks to Winning Bridge:

0 of 0 people found the following review helpful. Learning Bridge!!!By CustomerI have taken on learning Bridge!! Not simple!!! A friend who is a very accomplished Bridge player suggested that I purchase this book. It has been very helpful in simplifying the art of playing Bridge and emphasizes you don't have to memorize all the rules, etc., to make the game work - great relief as a beginning player. It's an "old" book, but a very good book!0 of 0 people found the following review helpful. the the best 'introductory' book on learningBy Scott Bushby far, the the best 'introductory' book on learning bridge

Teach yourself how to play bridge well!!
