Looks nice in the box...By Sharmin Panjvani Ok so I bought this when my daughter was born and I glanced at all the cards - interesting ideas - nothing you couldnt really think up yourself. It's been sitting on the shelf ever since - it's colorful so at least it looks good on the shelf...Worth it if you

have zero imagination and need to entertain kids not worth it if you remember what you used to enjoy doing as a kid or have even a sliver of imagination (it doesnt take a rocket scientist to suggest going to the park with your kids or the zoo)0 of 0 people found the following review helpful. Five StarsBy Judith CruzBeautiful thank you I received it so quickly.

With 52 developmental activities exploring sight, sounds, scents, and movement, parents and caregivers will delight in discovering fun and simple ways to enhance an infant's awareness, stimulate developing senses, and lull the little one to sleep.
