Wolfgang Riebe : 52 Vent Acts before purchasing it in order to gage whether or not it would be worth my time, and all praised 52 Vent Acts:

Best everBy Science EducatorFull of fun skits and jokes. I have been doing professional ventriloquism for 10 years. As a pro, I can say, this is a great collection for beginners and the pros will find some good material here. I added many of the bits here to my joke file. You will too. Don't believe the other reviews. They seem to be bitter hacks. Any REAL vent will tell you, there is some gold here. Mine it, incorporate it into your acts and you will shine.2 of 2 people found the following review helpful. Mixed opinionBy

Jerry In one respect it seems beneficial for newcomers to the vent field. However, there are so many typos, grammatical, and other word problems with the scripts that it is frustrating to read.

A MUST HAVE for ALL Ventriloquists! 52 Complete routines! Will suit various puppets! This book was first written in 1989 - the jokes are over 25 years old! Some humour never dies! However you need to bear in mind that some of the jokes are dated and corny. Even if you are just searching for additional gags to use in your present routine, this book is jam packed full of a variety of topics. The dialogues have been written in such a way that they will suit various vent dolls and personalities. Also realise that when a comedian buys a joke book, he may only find one or two jokes that suit his/her personality. This book should be treated in the same way. If you find all the routines useable - lucky you. However, even if you just get one useable gag that enhances a current routine, this alone is worth gold! A massive number of topics are covered! You will find something for all tastes and occasions, including: General, On Stage, Hobbies, More School, Famous, Sport, Family, General Cheekiness, Sick, Airplanes, School Again, The Problem, Marriage, Interview, Holidays, Mr. Entertainment, The Alphabet, Mother's-In-Law, My Dog, Television, More Sport, More General Cheekiness, More School Again, Opera, More Family, General Again, Overseas, Even More School Again, My Other Dog, General Knowledge, Jobs, Who's Being Clever Now? More Television, And Still... Even More School, Family, Religion, Even More General Cheekiness, Space, Driving Exam, And... Even More General Cheekiness, Sailor Boy, Hot Dog? Hamburger? Oh No! Not Even More School, Inventions, How Much Cheekier Can You Get? Modem Music, Animals, Difficult Old Dummy, Love, It Can't Be More General Cheekiness, On Strike.
