Ali Graham : 99 Problems: Superstars Have Bad Days, Too before purchasing it in order to gage whether or not it would be worth my time, and all praised 99 Problems: Superstars Have Bad Days, Too:

0 of 0 people found the following review helpful. Great little book to flip through when need a bit ...By CustomerGreat little book to flip through when need a bit of a laugh or some creative inspiration. If you a re a fan of hip hop this might resonate with you somewhat as a lot of the drawings are based on lyrics from past songs. Makes a great inexpensive gift, or stocking stuffer while bringing a few laughs to the recipient.1 of 1 people found the following review helpful. Awesome bookBy Darryl ParkerI've been waiting for this to be released and it does not disappoint. My guest get a kick out of it when they see it. If you're familiar with any of Ali Graham's hip hop artwork then you'll know how clever and funny it is. If he ever releases a Lil' Ye book I'll definitely buy that one too.0 of 0 people found the

following review helpful. Five StarsBy RapMaRzPerfect

Poor Superstar. All the money and fame in the world wont prevent him from having a bad hair day. Or stepping in gum. Or not being able to fit into skinny jeans, or watching helplessly as a scoop of ice cream falls from its cone. Or so an unnamed Superstars life is ingeniously imagined in this very funny book. Inspired by but not based on Jay Zs monster hit 99 Problems, illustrator Ali Graham riffs on what might be the real problems afflicting a world-famous music mogul who also happens to be married to the foremost diva of our time. Begun as a Tumblr, which went viral almost instantly, 99 Problems is a highly conceptual gift book showcasing 99 full-color illustrations of a cartoon character who looks just like a certain legendary rapper, and the often ordinary and sometimes fantastical things that happen to him. And thats where the book finds its hilarious, compulsive hook in an age that worships celebrity and assumes, somewhat enviously, that fame and fortune can protect one from lifes travails, what if that just werent true? Theres a surprising, underlying warmth here. Even when the author dips into flights of pop culture fantasy Superstar on the bow of the Titanic; Superstar whipping up a bad batch alongside Walter White from Breaking Bad the recognition of shared kinship is strong. Its a cartoon version of celebrity, but like the best cartoons, its edgy and knowing, yet sweet, too.

About the Author Ali Graham is an illustrator, filmmaker, and designer whose company, GrArG Media, provides visual marketing solutions for companies including Bobbi Brown, Este Lauder, Michael Kors, Tommy Hilfiger, Pfizer, and others. He lives in Hastings in the UK and online at grarg.com.
