From Thunder Bay Press : A Coloring Journal Peacock before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Coloring Journal Peacock:

A captivating journal for confident, creative people who like to color lovely illustrations between brilliant thoughts. This handy 128-page jotter is great for recording travel notes, keeping lists, writing stories, and coloring when you want to relax. Sparkling gold foil enhances the beautiful image of a peacock on the cover, and the 5" x 7" format fits easily into a purse, backpack, or briefcase. A perfect gift for the beautiful people in your life!
