David Emanuel, Elizabeth Emanuel : A Dress for Diana before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Dress for Diana:

0 of 0 people found the following review helpful. Perfect transaction/lovely book By Sue This older book is in pristine condition. I loved reading it and am sharing it with my sisters and friends. The book is exactly as represented and was delivered well-protected and within the time promised. 0 of 0 people found the following review helpful. Perfect pictorial illustrations and descriptions of designing Princess Diana's magnificent wedding gown! By bmkmaryland Fantastic book illustrating the crafting of Princess Diana's unforgettable spectacular wedding gown. Beautiful photos and timeline of the design. A must for collectors who are drawn to remember and commemorate Princess Diana, and a fantastic gift for those who study fashion or are involved in the fashion/wedding gown industry. 2 of 2 people found the following review helpful. A closer look By Customer This is an excellent book for those of us who watched the royal wedding at that time--and were so fascinated with that dress--and train. Although there were unexpected problems with the dress such as how do you fit a dress with an exceptionally long train into the small royal wedding carriage?--nevertheless, the dress was one of a kind--and forever will fascinate Diana fans

throughout the world. The book shares the moment-by-moment details of the making of the dress as well as some other previously unpublished photos of the dress. A must book for Diana fans!

Kate Middletons royal wedding to Prince William on April 29, 2011 will be the fashion event of the century. And with the whole world watching, Kates royal wedding dress will redefine elegance and grace for the next generation of royalty just as Princess Dianas legendary wedding gown did a generation ago. When British designers David and Elizabeth Emanuel designed Dianas dress, they helped her become the most beloved princess in the world. Like Ann Lowes wedding gown for Jacqueline Kennedy or Vera Wangs many celebrity wedding dress designs, the gown that the Emanuels created for Princess Di changed the future of wedding fashion. Now, you can revisit the beauty and innovation that went into Dianas wedding dress in this lavish, full-color book, written by the dressmakers themselves the perfect way to make the magic of Princess Kates wedding story come to life.

From the Back Cover July 29, 1981 #8212 The Royal Wedding of HRH Prince Charles and Lady Diana Spencer is one of the iconic moments of the twentieth century. It remains a day embedded in the memory of millions of people around the world #8212 over 800 million people were watching at home on television. Of all the images from the day itself, the one that springs to mind immediately is that of Diana's arrival at St. Paul's Cathedral in the glass carriage and the public's first glimpse of the best kept secret of the day: the royal wedding dress. For the young designers, David Emanuel and Elizabeth Emanuel creating Diana's wedding dress was "a fairytale come true." Having only been introduced to Lady Diana Spencer in February 1981, the Emanuels quickly became one of her favored designers, which lead to a telephone call in March 1981 that would change their lives forever. Officially commissioned by Buckingham Palace, the Emanuels set about designing a dress that would never be forgotten. Each step of the process was completed in total secrecy to ensure that no one, especially the world's press, got a glimpse of the famous dress until that glorious July day. About the Author British designers David Emanuel and Elizabeth Emanuel found world acclaim when they created the sumptuous ivory taffeta and antique lace wedding dress with the 25-foot train for Lady Diana Spencer. David now runs David Emanuel Couture and designs for an international clientele. He has also diversified into television, hosting several of his own series including *Designed by Emanuel* and the highly successful TV show *Shop the World*. David writes his own newspaper column as *Style Editor*. British designers David Emanuel and Elizabeth Emanuel found world acclaim when they created the sumptuous ivory taffeta and antique lace wedding dress with the 25-foot train for Lady Diana Spencer.
