From Storck Press : A Dummy and I - Fantastic Scripts for Ventriloquists and Puppeteers before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dummy and I - Fantastic Scripts for Ventriloquists and Puppeteers:

Mastered the art of throwing your voice but not sure what to say? This book contains a wealth of ideas for ventriloquism sketches. Thoroughly recommended reading for the tongue-tied ventriloquist. Containing black and white drawings of a selection of dummies. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience. We are now republishing this book with a new introduction to the history of ventriloquism.
