Erica Rosch : A Field Guide to Sheepshead before purchasing it in order to gage whether or not it would be worth my time, and all praised A Field Guide to Sheepshead:

0 of 0 people found the following review helpful. Great book for the pro and the newbie!By Gary MendelblattI love the book. Perfect for the old pro and the novice. I finally joined a weekly game and I am the youngest at age 63. We are all born and raised in Milwaukee where this is our game for everyone in the state of Wisconsin. I am new at

playing a lot, so I needed this book to refresh me. It has certainly helped.0 of 0 people found the following review helpful. So you really want to learn Sheepshead? Well...By J. ShoemakerEntertaining and informative review of how to learn to play the challenging and often frustrating game of Sheepshead. A sweet, concise printable "cheat sheet" (helpers guide) at the back of the book is an added bonus.0 of 0 people found the following review helpful. Solid History and Rule BookBy Michael HarperGood, solid history of the game and the various ways it can be played.

Whether you are a new or veteran player of "Sheepshead", this book will show you a comprehensive collection of rules, strategy and variations of American and Bavarian Sheepshead (2-8 player versions). This guide explores strategies such as Joe Wergin's "Count of Seven" for three handed play as well as tongue-in-cheek mnemonic devices, anecdotes and quotes. Sheepshead websites and software resources, a glossary of terms, and tips to organize tournaments are provided.

"By far the most complete guide to the game I have come across" -- Ken Kurtz, co-founder of Sheepshead.orgAbout the AuthorErica Rosch, a native of Madison, Wisconsin, was introduced to the game of Sheepshead in 1988 and has been learning, playing and teaching it ever since. Of Norwegian, African-American and Native American descent, Rosch did not experience the game as part of her culture growing up. But she became hooked on Sheepshead after marrying into a family whose roots are in the Fox River Valley with Austrian ancestry. Erica and her husband, John, teach Sheepshead mini-courses to university students.
