Like its design and the pages are wonderful 8 of 11 people found the following review helpful. I really enjoyed this book By Objective I really enjoyed this book. Judith is the first woman to break the glass ceiling in chess, getting into the top 10 in the world and beating numerous world champions. And what a style of chess she plays! Violent, aggressive, uncompromising. I enjoyed all the commentated games and the honesty with which she evaluated the tournaments she played in. I hope Hou Yifan follows well in her

footsteps and continues to show that women can beat men at this game!

A Game of Queens completes the trilogy in which one of the greatest players of our time transforms her personal journey to the top into a roadmap for everyone who ever wanted to better themselves in the game of chess. This volume covers the period from 2001 until the present day. These were the years when Judit was in the Top Ten in the world, and facing the likes of Kasparov, Karpov, Korchnoi and Anand. The first volume How I Beat Fischers Record won the 2013 ECF Book of the Year prize and the second volume From GM to Top Ten was the ACP Book of the Year for 2014.
