**Ms Cindy Rose : A Queen and Her Court: An Instructional tale of beginnig chess moves for beginners, students and teachers** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Queen and Her Court: An Instructional tale of beginnig chess moves for beginners, students and teachers:

1 of 1 people found the following review helpful. Finally! I can understand the game of chess!By D. JohnsonMs. Rose has explained the enchanting game of chess in a creative and explicit manner to attract adults and children to the game! I gave this book and a chess set to my nine-year old granddaughter. She and her Dad love it!0 of 0 people found the following review helpful. Short story about chess rules, told like a fairy tale.By Rubber BiscuitMy kids love this

book. Great explanation of chess rules, in a story. The Ivory Queen must figure out the mystery of the enchantment placed on her court members by the Angry Onyx Queen. 0 of 0 people found the following review helpful. Great for children adults  
By Michelle Meere  
Excellent book for learning how to play chess, for children and adults! My 11yo has been using this this book to teach this adult how to play. I have enjoyed our son/mom time together, with the added benefit of finally understanding the game of chess. Thank you Ms Rose

Now an Approved Parents' Choice Award Winner! An instructional Tale of beginning chess moves for beginning students, teachers and parents. A fictional story of how White Queen Ivory defeats Black Queen Onyx and in the process explains how to play chess and how the pieces move. A Queen and Her Court, A Childrens Story of Beginning Chess Moves is a delightful book that captures the imagination of young people who want to learn chess. It is set in a picturesque forest ruled by the queens of chess and their subjects, the magic warriors on the chess board. I am privileged to be writing a foreword to this unique book designed to inspire children to learn and play the wondrous game of chess. . . . Alex Zelner, USCF Life Master

About the Author  
Cindy Holtzapple-Rose from the Tampa, Fl. area is an elementary school teacher who found out that her students liked a story behind learning chess as much as playing it. She decided to write down her unique technique into a book for others to enjoy.
