Paul McPharlin : A Repertory of Marionette Plays (Mellen Studies in Puppetry) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Repertory of Marionette Plays (Mellen Studies in Puppetry):

This reprint of the 1929 volume presents translated marionette plays as well as English ones - French, German, Russian and Chinese, with playwrites as diverse as Sand, Maeterlink, Goethe and Mitcoff. A list of productions in the USA and UK is included.
