Richard L. Frey : According to Hoyle - The World-Famous Book on Rules of Games before purchasing it in order to gage whether or not it would be worth my time, and all praised According to Hoyle - The World-Famous Book on Rules of Games:

0 of 0 people found the following review helpful. book reviewBy HomerStinks..... literally stinks. Not at all crisp anything. Keeping it out in garage.Worst book I had ever ordered. Sorry0 of 0 people found the following review helpful. Never lose a bar bet!By Peter J. OriliaI purchased the book to verify a concept of poker that I saw on an episode of the classic TV program "Maverick". The episode was named "According to Hoyle" .I wanted to see if it was true. The book verified the factual content of the episode. The rules have not chaged since the book was originally published in the nineteenth century.This handy book is still the Final Authority on rules of any game.0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent book, helped a lot!!!

Complete Instructions. Scoring and Strategy for over 200 games: card games, dice games, parlor games, word games, chess, checkers, backgammon. Special section on the best solitaire games. A must for anyone who wants to play games correctly. Also includes expert advice on games such as Contract Bridge, Canasta, Poker, Pinochle, Rummy, Chess and Backgammon.
