Tri "SlowHabit" Nguyen : Advanced PLO Play: The Workbook: Strategies for crushing micro and mid-stakes PLO before purchasing it in order to gage whether or not it would be worth my time, and all praised Advanced PLO Play: The Workbook: Strategies for crushing micro and mid-stakes PLO:

3 of 3 people found the following review helpful. Tri does it againBy Anonymous poker playerAlthough I spend most of my time playing NLH lately, I have still played a fair amount of PLO (a few hundred thousand hands). I've read a

lot of PLO books and watched many PLO videos, but I still found myself "lost" in plenty of situations. I wasn't sure what action to take or even what factors to consider to decide on what action to take. Let's face it; PLO is just way more complicated than Holdem. Any good poker player will tell you "it depends" when you ask them even a basic question without giving them some background information. This book helps by giving you awareness of both background information/reads and possible options/lines to consider. I was kind of worried before getting the book that it wouldn't offer me too much new knowledge. I was pleasantly surprised to find myself reading and re-reading this book over and over trying to nail down all the concepts. While he lays out and explains all the hands well, I wish some more of the important concepts had been gone over in a little more detail. Overall though, this is probably the best and most immediately applicable PLO book out there. Tri again shows that he is not only a great poker player but also can deliver a great learning experience.

From the man who literally CREATED the poker ebook market and its poster child, Let There Be Range (a two-thousand dollar poker manual for high-stakes poker professionals), Advanced PLO Play: The Workbook provides an excellent guide for those looking to master PLO at the highest level. **YOU WILL LEARN:** How to estimate your opponents' hole cards using this ground-breaking concept ... **SECRETS REVEALED** on page 17! How a simple no-limit holdem play can be so powerful in PLO ... Read page 21 How to check-raise bluff the river and gets your opponents to FOLD ... Go to page 56 How use blockers profitably ... See page 50 How to run HUGE bluffs and get rewarded for it ... **SECRETS REVEALED** on page 25! How to catch people bluffing you and take their money ... Read page 40 How to bet the most optimal amount to win the biggest pot ... See page 32 How to not make costly mistakes on the turn ... Go to page 28 How to win hundreds of thousands of dollars like Tri and his group of PLO professionals ... **SECRETS REVEALED** on page 24 And that's just the tip of the iceberg. There are more than 50 advanced tactics covered, all proven to work under the Las Vegas bright lights, the New York underground games, the internet, the college dorms, the kitchen home games, and much more. You don't need advanced math or a high IQ to crush poker. You need the right strategies and that's exactly what Advanced PLO Play delivers. Order today. Our winning circle awaits you!

About the Author Highly successful online poker professional Tri 'SlowHabit' Nguyen turned his loves of poker and education into a notable coaching career, drawing praise for his ability to explain complex poker concepts in simple, easy to understand terms. These skills transitioned well into writing and he soon found himself teamed up with fellow online star Cole South -- a collaboration that resulted in the high-level no limit Hold'em breakthrough, Let There be Range.
