Jeff Hwang : Advanced Pot-limit Omaha Volume II: Lag Play before purchasing it in order to gage whether or not it would be worth my time, and all praised Advanced Pot-limit Omaha Volume II: Lag Play:

1 of 1 people found the following review helpful. PLO is a heck of a rideBy Alan C. GoeringI have both Vol I and now Vol II. Vol II provides a little more nuanced play and ideas. Common themes in both book are aggression and playing in position. If i had been at the table against Jeff and folded the same hands his opponents did i'd be plenty

mad right now, knowing I'd been hornswaggled out of a number of winning hands. Jeff makes it seem easy, yet he cautions us when its time to put on the brakes. Good book.3 of 4 people found the following review helpful. Very good but...By Jason SI liked this book. I like all Jeff's books. He does a great job of breaking down hands and plays that I haven't been able to dissect. While I do like reading about the hands and his thought process, I do wish there was more written in each section. Having two or three pages of explanation then 85 example hands seems a bit lop sided. I wish there was more explanation of each section: why they are important, what to consider when in those situations, etc.Also, perhaps I didn't research enough but I didn't realize that the book was written about 6 handed on-line play until the book arrived in the mail. Some of the material may not transfer over to full tables, though I'm sure some will.Overall I did really like the book. More explanation and application to full ring games would make this a perfect book.0 of 0 people found the following review helpful. Five StarsBy Sylvain GuinepainFantastic series of books.

UNLEASH YOUR INNER LAG Advanced Pot-Limit Omaha Volume II: LAG Play picks up where Advanced Pot-Limit Omaha Vol. I: Small Ball and Short-Handed Play left off. Key topics include: - Variable Ratio Reinforcement: The key concept that shapes our c-betting frequency - C-Bet Frequency: The key concept that shapes our LAG approach - Opening Fire on the Blinds: The main component of our loose-aggressive (LAG) pre-flop playing style - Attacking the Limper: An opportunistic LAG tactic - 3-Betting vs. Small Ball: When to 3-bet, and when to flat call and play Small Ball And more! With nearly 300 hand walkthroughs dedicated to short-handed online play, Advanced Pot-Limit Omaha Volume II: LAG Play takes Omaha strategy one step further, and will open up your game further than ever before.
