**Cartoon Network : Adventure Time Postcard Library: 100 Cards in 4 Books, 25 in Each** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adventure Time Postcard Library: 100 Cards in 4 Books, 25 in Each:

1 of 1 people found the following review helpful. they're sturdy, the colors are vivid By Renee N. Jones Postcards are high-quality and diverse. Unlike many other sets, there are no repeats. The cards themselves have everything I look for in postcards: they're sturdy, the colors are vivid, and the backs have complimentary (but muted) designs that

compliment the set. My main criticism is that the cards are painfully difficult to remove from the four books. The cards aren't secured in their respective books by a perforated edge, but instead by a sort of semi-sticky adhesive (I don't know what it's called, but it's commonly used for this purpose). This leaves a nice, clean edge when you successfully remove the cards rather than a jagged, perforated edge; however, the way the books are designed makes it difficult to pull a card out from the middle of the set and I've torn or ruined more than one card attempting to remove them from the books. 0 of 0 people found the following review helpful. Five Stars By Customer My grandson loves Adventure Time and these postcards are something he looks at over and over again 0 of 0 people found the following review helpful. Five Stars By Alanna Zaritz really nice presentation, with all the cards organized into 4 little themed books.

The ultimate collectors item for all Adventure Time fans, this epic collection of 100 cards is packaged in a slipcased set of four postcard books. Each book is devoted to a different creative aspect of the show: Concept Art contains behind-the-scenes drawings; Title Cards features the unique art that begins each episode; Cartoon Stills is filled with favorite moments from the show itself; and Gallery Art includes original paintings and prints by the show's creators and specially commissioned illustrators. Remove the cards from the books and give them to friends, or use them to cover your walls with Adventure Time awesomeness!
