When I turned a page, the spine broke--there is no flexibility remaining. Turning each page cracks the old, old glue. The pages are technically in tact--but not appealing, the book smells musty. It was past time to recycle this copy, not to sell it.0 of 0 people found the following review helpful. Main story is incomplete which I

We will never know.....0 of 0 people found the following review helpful. altered landscapes...By David, Brighton UKwow... not what i expected.while the plot itself does not have time to become remarkable, the characters are animated enough to compensate. the whole thing seemed to be a cartoonish farce; i could not help thinking of old beatles movies and episodes of scooby doo (?)this appears to have been written from an altered perspective (or was intended to convey one) as characters shift in and out of the story's focus in a stalled, haphazard way such that each one is grooving to his own inner music. the individuality and breadth of creativity displayed here by thomas and his unique assembly of characters is amazing considering the book's platury 60 pages.highly recommended.

Here we are nibbling away all day and night, Mrs Dacey. Nibble nibble. No sense, no order, no nothing, we're all mad and nasty.Samuel Bennett leaves his home in South Wales to pursue a career in London. Setting out with an attitude of reckless, nihilistic purpose, he encounters a nightmarish city with an assortment of bizarre characters and an embarrassing first sexual experience. Join Samuel as he meanders through this dreamlike world, all with a beer bottle stuck on his little finger.Dylan Thomas's gloriously surreal coming-of-age and unfinished novel is given new life by acclaimed writer Lucy Gough.Originally premiered in Wales in 2014, the adaptation was then performed in both Sydney and Melbourne, Australia in 2015. It is published here in Methuen Drama's Plays for Young People series, pitched at ages 16-18. It features an introduction by Sam Mackie, Head of Drama in the English Faculty at The Peninsula School, Victoria.

Lucy Gough has adapted it for the stage and she has created a new play in the unmistakable tones of Thomas . . . What Lucy Gough allows us to hear is the unmistakable voice of Dylan Thomas grappling with recalcitrant material and providing the audience with entertaining diversion while he struggles. Theatre in WalesDylan Thomas devotees who make the effort to go along will be entranced, amused, and perhaps a little shocked.? British Theatre GuideDylan Thomas's gloriously surreal coming of age (and unfinished) novel about a young man adrift in a nightmarish, nihilistic London is given new life and energy by acclaimed writer Lucy Gough. Daily TelegraphFrom the Back CoverThis is the story of young Samuel Bennet--a not entirely innocent provincial--who leaves his Welsh home to let adventure find him in London. Sam is soon deeply involved--all the while with his finger stuck fast in an ale bottle--with a fantastic assortment of odd characters whom only Dylan Thomas could have conceived.About the AuthorLucy Gough was recently invited to take up the Granada artist residency at the University of California Davis, where she wrote and directed a live radio/theatre piece which was performed and broadcast. She has just been awarded a Creative Wales Award to explore the role of the writer in Physical Theatre. She was also a finalist for the BBC Wales Drama Award 2012 and the Nick Darke Award 2013.Dylan Thomas was born in Swansea in 1914. After leaving school he worked briefly as a junior reporter on the South Wales Evening Post before deciding to embark on a freelance literary career. He rapidly established himself as a remarkable personality and one of the finest poets of his generation. 18 Poems appeared in 1934, Twenty-five Poems in 1936, Deaths and Entrances in 1946 and In Country Sleep in 1952. His Collected Poems was published in 1952. Throughout his life, Thomas also wrote short stories, his most famous collection being Portrait of the Artist as a Young Dog. He also wrote film scripts, was a celebrated broadcaster of radio features and talks, lectured widely in America, and wrote the radio play Under Milk Wood, first broadcast posthumously in 1954.
