Francis Nii-Yartey : African Dance in Ghana: Contemporary Transformations before purchasing it in order to gauge whether or not it would be worth my time, and all praised African Dance in Ghana: Contemporary Transformations:

In eight chapters, Professor Francis Nii-Yartey guides the reader through the history of dance in Ghana and West Africa: from the traditional dances at special occasions to contemporary performances in Ghana and elsewhere. The book is illustrated with photos, sketches and explanatory diagrams. African Dance in Ghana: Contemporary

Transformations is not only aimed at students of African dance, but also anyone who wants to discover the rich dance traditions of Ghana.
