By Jerry Guild Once you've given a try to these 40 after dinner games; there is another similar set with 21 more games to interest, challenge, and most of all provide great entertainment for any gathering needing a bit of livening up. I don't see it shown here, but it is also by Lagoon Games, and came out about the same time. It is called "More After Dinner Games" Rather than in book format, it comes as a pack of cards and consists of 21 games. To give you a flavor of the games included, here are some of them: Dum Dum, Take Me To Your Leader, Squeak Your Weight, Tomato Relay, Bash, Bash, Pop, Quack, Quack, Speak Up, Are You There Moriarity, etc. Great for all ages. 8 of 8 people found the

Unusual, simple but very interesting and amusing gamesBy Neilalan@bigfoot.comThis tiny book has a great collection of amusing and interesting games to play with friends and family. Some are targeted to adults but most anyone can play and enjoy.
