The puzzles are very challenging which is just what I wanted.2 of 2 people found the following review helpful. Lots of fun for Agatha fansBy Bernie (xyzyz)Lots of crosswords both American and British styles with standard black and white squares. Two columns of statements for across and down.Has extra information to help with the clues. Of course you already know this information from extensive reading.Best plan is to Photostat (ok scan) the pages so you can rework them years later.
