**Francois Baudot : Alaia (Universe of Fashion)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alaia (Universe of Fashion):

The creations of Azzedine Alaia are considered by many to be the sexiest, trendiest, and most utterly original clothes produced by any contemporary designer. Alaia's talent and reputation, spread largely by word of mouth, has won him the adoration of an extraordinary suite of faithful clients, among them Naomi Campbell, Tina Turner, and Jessye Norman. Here the story of the young designer is told with flair and intelligence and is lushly illustrated with top-

echelon photography of Alaia's signature creations - in all their exuberance and sensuality.
