John Gollehon : All about Blackjack (Perigee) before purchasing it in order to gage whether or not it would be worth my time, and all praised All about Blackjack (Perigee):

Blackjack is the only casino game where the player can actually acquire an edge. Unlike other games where the player always has a disadvantage, in blackjack, the advantage constantly shifts from player to casino and back. ALL ABOUT BLACKJACK offers important information about how the game is played and gives you a solid foundation for winning.
