James M Smartt : All About Sniff before purchasing it in order to gage whether or not it would be worth my time, and all praised All About Sniff:

0 of 0 people found the following review helpful. Excellent stocking gift for Christmas-By Robert WilliamsJames M. Smartt clearly enjoys playing the domino game named SNIFF, and readers of ALL ABOUT SNIFF are the beneficiaries. Both new and experienced domino players receive more than "how to play" instructions in this noteworthy book. The brief history of Dominoes and the origins of Sniff are particularly interesting. Mr. Smartt plays several single and double games of Sniff with the reader, using diagrams from start to finish (both players hands that

would normally be hidden are exposed for purposes of instructions). ALL ABOUT SNIFF is an excellent stocking gift for Christmas--Bob Williams, New Canaan, CT-0-0 of 0 people found the following review helpful. The definitive book on SniffBy GcareyExcellent book, perhaps the definitive book, on Sniff, a dominoes game played primarily in Philadelphia and San Francisco. Examples and strategies for beginners and more experienced players. Smartt writes clearly and with some fun stories included.0 of 0 people found the following review helpful. This is certain to be a classic. Reading this ...By albert c. oehrleThis is certain to be a classic. Reading this master's insights is akin to learning magic tricks from Houdini (except for that last one). You have to stand back in admiration. And not an ounce of condescension. Bravo, Mr. Smartt.

This book is the first and only comprehensive, how-to guide for the beguiling domino game of Sniff. It compiles everything one must know to learn the game and compete with the best players. This book features easy-to-follow explanations and diagrams on the rules and procedures of Sniff that are the standards of play. After reading this book, the novice should become proficient at Sniff and experienced players may improve their skills.
