Sure, this is a book of Haiku but, that's not why I read it in 10 minutes. I can't get enough of Tyler Knott Gregson's words. He's so eloquent. He's incredibly talented. The photos that he takes, the words he writes... they touch something deep in your soul make you feel everything he's writing about. Feeling the depth of love in 3 lines is incredible. I love his writings. If you've read his first book, Chasers of the Light, you will love this. 2 of 2 people found the following review helpful.
