The dialog so lyrical in some places... fitting well with the whole musical theme. There's a terrific intro by the playwright, which discusses changes that were made. 0 of 0 people found the following review helpful. Fantastic script! By Anthony Bellerose An absolutely wonderful script. So we'll written. I love the characters and how artfully they are developed. It was delivered VERY quickly and in terrific shape.

This work surmises the genius of Mozart in the most entertaining way.

Originating at the National Theatre of Great Britain, Amadeus was the recipient of both the Evening Standard Drama Award and the Theatre Critics Award. In the United States, the play won the coveted Tony Award and went on to become a critically acclaimed major motion picture winning eight Oscars, including Best Picture. Now, this extraordinary work about the life of Wolfgang Amadeus Mozart is available with a new preface by Peter Shaffer and a new introduction by the director of the 1998 Broadway revival, Sir Peter Hall. Amadeus is a must-have for classical music buffs, theatre lovers, and aficionados of historical fiction.
