Ever wanted to try to connect with your child over a game - especially one that is educational and fun? That's what this guide provides you with! Essentially, it is a guide for children, but it is great for parents aspiring to make that initial connection - maybe you can read and play with them! The child will be able to fully understand and read this guide comprehensively, and there are plenty of pictures to boot. Good luck! * Very Easy to understand! * Detailed

Explanations * HQ Pictures! ... And more!
