**Trip Payne : Amazing Crosswords for Kids (Mensa)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazing Crosswords for Kids (Mensa):

This is great not only for children but also for adults who enjoy crosswords but dont enjoy the headache of those super difficult ones. This one makes you think without hurting yoru head. Easy enough for kids but entertaining enough for adults.

Love it!!! 1 of 1 people found the following review helpful. Great puzzle clues for a smart 9 yr old. 40 crosswords puzzles with answers in the back. By T. Elliott Great puzzle clues for a smart 9 yr old. There are 40 crosswords (with answers in the back of the book). Will buy more from this puzzle maker. 1 of 1 people found the following review helpful. They have enjoyed them and can do a lot without adult help ... By E.A.B. in California I ordered this as a gift for 10-year-olds. They have enjoyed them and can do a lot without adult help but sometimes encounter unfamiliar words/concepts and ask for advice. It's a good mix of challenge and comfort- which makes it fun for them.

Every book in Trip Payne's popular, inexpensive crossword series has become a bestseller. Now, this genius of crossword creation (he had his first puzzles published when he was just in junior high and won the American Crossword Puzzle Tournament a grand three times) is back with a seventh collection. That should make puzzle-loving kids positively ecstatic. The age-appropriate clues include "Aladdin rubbed a magic one," "Famous \_\_\_\_ (brand of cookies)," and "You might use one in a treasure hunt." There's nothing in here that isn't worth knowing, nothing that's obscure or arcane. So, for youngsters it's lots of fun. Happy solving!
