**Cynthia Morris : American Acrostics Volume 3: Puzzling Tales from the White House** before purchasing it in order to gage whether or not it would be worth my time, and all praised American Acrostics Volume 3: Puzzling Tales from the White House:

1 of 1 people found the following review helpful. Fun and entertaining way to learn about presidentsBy Melanie M.This book includes 50 Acrostics comprised of book quotes about presidents and first ladies. Clues are creative and well-written, with plenty of sneakiness thrown in (Key work = Anthem). Ive read fairly extensively about our presidents but I still picked up some tidbits that I didnt know before (John Quincys wife ate so much chocolate that her teeth fell out). Cynthia Morris is clearly knowledgeable about her subject and has presented the information in a fun and entertaining way. I will definitely be purchasing more puzzle books from this author.1 of 1 people found the following review helpful. Great puzzlesBy Doreen A. MyersGreat puzzles.
