**Stanley Schuler : American Barns** before purchasing it in order to gage whether or not it would be worth my time, and all praised American Barns:

0 of 0 people found the following review helpful. Enormous types of BarnsBy PAT SULAKI love barns, they are so quaint. This book has an enormous amount of barns - wonderful memories to behold. A great buy!0 of 0 people found the following review helpful. LoveBy Wild BillLove old barns and love this book.5 of 5 people found the following review helpful. Beautiful barns in great photographsBy Donald J. BergTake a tour of 240 old and new barns throughout the United States with this book's clear photographs and concise descriptions. You'll have a good introduction to our regional styles and to the amazing variety of different barn types. If you're planning to design or build a barn, you can't help but be inspired by the many photos of building details.

American Barns is an exciting, eye-opening study of one of America's most beloved types of buildings. In a

handsomely printed text and pictures (113 of them in gorgeous color), it covers barns throughout the United States: huge barns and small barns; Pennsylvania Dutch barns and New England barns; horse barns and carriage houses; and countless others. In all, 240 barns are pictured and explained. If you love barns, you'll be crazy about *American Barns*. If you're thinking about building a barn, *American Barns* will raise your sights and help you build a better one.

**About the Author**Mr. Schuler, a former editor of "Handy Andy" magazine, is the author of many books on architecture, household maintenance, and gardening, including *Homes of the Lower Mississippi Valley* which appears this season, and *The Cape Cod House*.
