Just a very informative and correct information. 0 of 0 people found the following review helpful. Five Stars By bill dean carter very good 0 of 0 people found the following review helpful. Valuations By Dennis A. Kurir terrific book - I thought that many of the valuations were far too conservative. Still not a lot of clarity with many issues - the manufacturers fault and not the book authors

This comprehensive reference includes checklists and current prices for all major cards released in the 19th and 20th

centuries.
