**Stephen Stratton, David Hodgson : Animal Crossing: City Folk: Prima Official Game Guide (Prima Official Game Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Animal Crossing: City Folk: Prima Official Game Guide (Prima Official Game Guides):

1 of 1 people found the following review helpful. Very Helpful!By Angelina F.I am an Animal Crossing fan and this guide helps a lot to building my town and earning lots of bell. It lists the fish and what months they are available to catch and several events held in town. I am glad I purchased this guide!0 of 0 people found the following review helpful. Thought this was newBy evette whiteIt was written in all over the book , I took it as it was new . Disappointed it wasn't new.If I could see through some of the writing, I'm sure it would be a great guide0 of 0 people found the

following review helpful. Animal Crossing Guide Book By DRice If you have this game you really need this guide, it tells all about the days to go fishing to catch certain fish for your collection at the museum. The bugs and butterflies. The different room themes. What all the items you might want to sell are worth. Just make sure you get the right guide for the game you have, because there are so far three Animal Crossings, the first one is for the Game Cube, and the second one is for the DS, Animal Crossing Wild World, and this is for the Wii, Animal Crossing City Folk. They are going to make another one, Animal Crossing for 3DS :)

\* Information on how to obtain every item.\* Complete calendar of in-game events and special occasions.\* Details on using the WiiSpeak microphone for multiplayer fun.\* Checklists for all collectible items to make sure you can get each and every one.\* Exclusive poster with Animal Crossing art!
