Jonathan Poppele : Animal Tracks of the Southwest (Nature's Wild Cards) before purchasing it in order to gage whether or not it would be worth my time, and all praised Animal Tracks of the Southwest (Nature's Wild Cards):

Play cards and learn about animal tracks!This gorgeous deck, put together by award-winning author Jonathan Poppele, features detailed illustrations of 54 of the most common mammal tracks of the Southwestern states, including the Prairie Dog, Bobcat, Ringtail, and more! Anyone who enjoys the outdoors will love having these cards for playing favorite games and for quick ID.

About the Author Jonathan Poppele is a naturalist, author and educator with wide-ranging interests. He earned a master's degree in Conservation Biology from the University of Minnesota, studying citizen science, environmental education and how to cultivate a personal relationship with the natural world through animal tracking. He has taught ecology, environmental studies, biology and technical writing at the University of Minnesota. An avid outdoorsman and student of natural history, Jon is a member of the Minnesota Trackers Club and the International Society for Professional Trackers, and he is the founder of the Minnesota Wildlife Tracking Project.
