**From Schott Music : ARGENTINIAN TANGO AND FOLK TUNES FOR VIOLIN 41 PIECES WITH ACCOMPANIMENT CD (Schott World Music)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised ARGENTINIAN TANGO AND FOLK TUNES FOR VIOLIN 41 PIECES WITH ACCOMPANIMENT CD (Schott World Music):

0 of 0 people found the following review helpful. Some very challenging material, but still very enjoyable to listen to. By Anita Raquel My Dad grew up in Argentina, so this was very nostalgic to listen to. A lot of the music is too difficult for my current skill level, but I'll get there eventually. I just wish he was still alive to enjoy listening to the CD. The book matched the CD quite well, but it was difficult to differentiate the parts in the songs with two violins.

Hopefully with practice and progress, I'll be able to do better, in time. 3 of 3 people found the following review helpful.  
happy with it  
By GMM  
My instructor liked this purchase so much, she bought her own. She says it's a nice step between Suzuki book 2 and 3 for me. She also says the songs offer some progression in difficulty. The first song in the book is widely performed on YouTube, so I can hear several examples of it to supplement my own practice. There is also a CD enclosed with the book.  
0 of 0 people found the following review helpful. Great book!  
By Lizette Rocha  
I love the arrangements! I'd say it's for intermediate to advanced. They are easy enough to follow. This book includes chords within the arrangements so others could join in too. I would have given the book 5 stars except...the songs are not all one page or even in two which can be a problem if I were a gig. I just got my book today and I'm eager to continue to learn these songs.

(Schott). 41 pieces including tangos, milongas, chamames, zambas, and chacareras. A second violin part is included for many songs as an optional duet.
