More trouble than it's worthBy Megan BarrThe instructions are incredibly confusing and didn't come with any photos or illustrations (that were referenced more than once). I have two disappointed, frustrated boys on my hands and I would not choose this game again, nor would I recommend it to a friend.7 of 7 people found the following review helpful. My son's like it fineBy CustomerI wish I had read the reviews before buying this game. My son's like it fine, buy it was my daughter who bought it, and we both thought it would be a game that had Bible verses, characters, or something, perhaps that Biblical knowledge played a part in the game. It does not. It is a strategy card game, as it states on the box, with cards that have the words, FAITH, GOSPEL OF

PEACE, and has GOD in the title. Not the faith building game that we mistook it for. 7 of 7 people found the following review helpful. love the concept, but...By GodsGiftLove the concept, but the instructions are incomplete, as they reference images that don't appear. I was able to locate some online though.

"Get ready to battle! In this fast-paced card game, you'll exercise your faith to earn pieces of armor and more actions to play. Go from a seed of faith to a full-fledged spiritual warrior status. Whoever puts on the full armor of God first wins!"
