There are so many puzzles!By ShulaThese are just like the puzzles of the Puzzle Baron app. I'm old-fashioned and wanted to be able to WRITE on them, so I bought this. There are so many puzzles, one book will last me a while. It's neat that they include average time, record time, and the solve rate (percentage of people who solve the puzzle successfully).3 of 3 people found the following review helpful. Great brain

workBy AMKolarGreat brain work! I do one or two puzzles each morning while drinking my coffee. Makes me feel like I'm doing something worthwhile! I think they are well described and fun to do. The difficulty increases as you progress through the book. I've completed the first twobooks and plan to order the new release.0 of 0 people found the following review helpful. great brain teasersBy Ray beynonEach puzzle has a side box showing how many people managed to complete the puzzle, and the average time it takes, so you can try to compete with the champions, or just do the puzzles for your own pleasure. I love these books!
